Comments/Open Discussion

a. Snow days (Annette) 6 snow days now the current last day if school is June 22nd—have to get to 180 days by July 1st— possibility of looking into getting rid of good Friday or a day from spring vacation—difficulty is staff and family who have booked vacations and are not available.

Next meeting is April 25th 2018 at 9:15am, Ann Wilson is coming to speak.
